Claims 1 to 15 and 20 are in the case.

In response to the Examiner's Restriction Requirement, Applicant has canceled the claims from Groups II and III from the application; Applicant reserves the right to file the subject matter of these claims in a Divisional Application.

Applicant now has also added a new Claim 20 to the application. This claim is dependent on Claim 1 and is believed to form part of the invention to which the claims are now restricted.

Further action on the merits of the application is awaited.

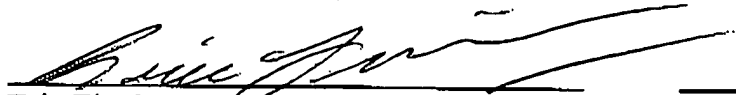

Respectfully,
